

MY MAUI SUITCASE

ALOHA OUTDOORS

1

LIGHT JACKET

Take that Parka out of your pack! You will not be needing it here! You may however want to bring one lighter jacket if you explore the cold heights of Haleakala Summit, the tallest peak on Maui!

2

ALOHA SHIRT

Gentlemen, you'll be needing your board shorts and tank tops. Button down shirts on Maui are also an ideal choice. You can also pick up an aloha shirt at the Maui beach front shops!

3

SLIPPAHS

Slip on your slippahs! Or, as you may call them flip flops! You only need one pair as you can pick more up anywhere if you need! Consider bringing a pair of shoes to wear if you'd like to explore Maui's many hiking trails, or enjoy a jog on a beautiful beach path.

4

REEF SAFE SUNSCREEN

Ditch those mittens and lather your hands up with some sunscreen. Please consider purchasing some reef safe sunscreen to be a friendly steward to our delicate reef ecosystems. (Brands like Sun Bum, Badger, and Raw Elements have this option)

5

SUNDRESS

Ladies, you'll definitely need to pack a relaxed, flowing sundress. You can wear them round town and even at a luau! You can always shop at your local vendors and pick up an Aloha dress once you arrive!

6

BATHING SUITS

Don't forget your bathing suits! You won't need more than two suits. You can bring your own suit, or shop Maui style! (Options like Manakai Swimwear or Pakaloha Bikinis for those ladies who want to show a little more skin. Quicksilver for mens board shorts)

7

BEACH BAG

Don't forget the beach bag! You'll probably be filling your beach tote with towels, sunscreen, water, and snacks! (Add towels and a hydroflask to your list and stay hydrated!)

8

EXTRAS

Maybe add a waterproof phone case, underwater camera, and floatation device so your electronics don't sink.
